

Clinton Township

Workshop / Special Meeting

April 8, 2021

At 6:30 PM the Workshop / Special Meeting was called to order by Chairperson Jeff Skaudis in the Clinton Community Building. Supervisors Jeff Skaudis, Cal Warwas, Bob Butler and Clerk Brian Mayry.

To begin the group reviewed some documentation from the Minnesota Department of Labor and Minnesota State Statute regarding the use of power equipment by a minor. Minnesota statute is clear on lawn care equipment use by a minor, using a snow blower not clear. Since the summer season is approaching the group discussed and crafted a list of job duties, employee qualifications and safety concerns about the summer labor positions. A specific job description will be written based on the discussion and a safety and training program will be developed.

Respectfully submitted,

Brian Mayry

Clerk, Clinton Township
