## TOWN OF CLINTON REGULAR BOARD MEETING

October 22, 2024

The regular meeting of the Town of Clinton was called to order by Chairman Peter Ramfjord at 6:10 PM with Supervisors Cal Warwas, Peter Ramfjord, Robert Butler, Treasurer Elaine Santi, Fire Chief Jim Theodore, EMR Coordinator Kyle Tomczyk and Clerk Brian Mayry. All in attendance recited the Pledge of Allegiance.

The minutes of the last regular meeting were distributed by the Clerk. Supervisor Butler motioned to wave reading the minutes and accept the minutes as distributed, second by Chairman Ramfjord. Motion carried unanimously.

The Treasurer's Report was provided and read by Treasurer Santi. Supervisor Butler motioned to accept the financial report, second by Chairman Ramfjord and unanimously carried.

Supervisor Butler motioned to pay the submitted bills and claim forms. The motion was second by Chairman Ramfjord and prevailed unanimously.

Fire Chief Theodore stated the Department responded to one department alarm. Chief Theodore addressed the Township Board stating NFPA training is now testing Firefighter I. The new 2025 OSHA standards were touched on briefly, Chief Theodore will be attending a OSHA class to learn more about the coming changes. The grant applications for the AFG grants were unsuccessful. Chief Theodore stated that one of the grant applications was for turnout gear. A majority current turnout gear is nearing its ten-year life cycle and is in need of replacement. Chief Theodore estimated the cost of replacing all turnout gear to be around the \$70,000 area. Chairman Ramfjord asked that pricing be sought out from several vendors and a plan to replace the turnout gear will develop from there. Grants are being written to the Elks for fire prevention material and another to MN Power for equipment.

EMR Coordinator Kyle Tomczyk stated that the EMRs received 12 alarms, four of which were in McDavitt Township. The group is working on staying current and providing quality service. Kyle is also working on pricing for CO monitors to be carried by responders. Daniel Jude is seeking membership for Clinton EMR as he is EMT certified. Chairman Ramfjord motioned to the policy, second by Supervisor Butler and unanimously carried.

Treasurer Santi presented Township Purchasing and Reimbursement Policy. Supervisor Butler motioned to the policy, second by Chairman Ramfjord and unanimously carried.

Chairman Ramfjord motioned that the meeting be adjourned until the next regular meeting on October 22, 2024, beginning at 6:00 PM. Supervisor Warwas second and the meeting adjourned at 6:53 PM.

Respectfully submitted,

Brian Mayry, Clerk

Dear Clinton Township Board Colleagues:

I am writing to announce my official resignation from the town board, effective EOB 11/12/2024. I'm choosing that date because I plan to attend the IRRR meeting that day to field any questions regarding our broadband project, per the request of CTC rep, Joe Buttweiler. I'm leaving to focus on my new role and to give you the latitude to move forward as a board in the way that you see fit. I look forward to discovering what that will look like!

Starting on this board in 2020 was quite a trip. I was sworn in on a virtual session via "Google Meets" before we ever had a Zoom account, and we held meetings online the whole first year. We did my first road inspection in the Township in separate vehicles.

Starting on the board with two other Supervisor's that had about 60 years of combined experience was appreciable, as was seeing Bob, Elaine and Pete come in each subsequent year. I'm grateful for the time I've had with all of you. The insights, humor and friendship will always be remembered fondly as well.

Special thanks to Brian for fielding so many questions for me before I made my run for the board and for being helpful to my growth as a supervisor the whole time I've been there.

Of course, I'm not leaving the neighborhood! Feel free to reach out anytime, and please visit in St.Paul if you ever want a break from God's country!

With warm regards,

Cal Warwas  
Clinton's Township Supervisor  
Representative-elect for MN House 7B
